LOUNGE SEATING

Sometimes daily work becomes routine, pressure blocks our creativity which we wish to avoid so we need somewhere to escape to , to disconnect, relax, breathe deeply and help us restore the optimal level of performance. And what if we told you that this was all possible? and if we told you that it already exists and it is called Longo? Now you don't have to leave the office to disconnect….

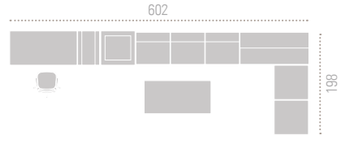

En ocasiones el trabajo diario se convierte en rutinario, la presión bloquea nuestra creatividad y nos gustaría poder evadirnos y escapar a otro lugar donde desconectar, relajarnos, poder respirar profundamente para recuperar el nivel óptimo de rendimiento. ¿Y si te contáramos que todo esto es posible? y si te dijéramos que ya existe y se llama Longo? Ya no hace falta salir de la oficina para desconectar…

Parfois le travail devient routinier, le stress bloque notre créativité et nous préférons fuir et nous évader vers d´autres lieux pour changer, se relaxer, respirer profondément afin d´optimiser nos performances. Et si tout cela était possible ? Et si cela existait déjà ? Il se nomme Longo. Il n´est plus nécessaire de partir du bureau pour se déconnecter...

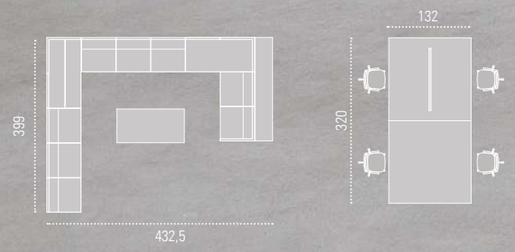

Manchmal wird die tägliche Arbeit zur Routine, unter Druck blockiert sich unsere Kreativität und wir möchten einfach mal raus, einen Ort aufsuchen, wo wir abschalten, uns entspannen, tief atmen können, um wieder leistungsfähig zu werden. Und wenn das tatsächlich geht? Wenn es diesen Ort nun wirklich gibt? Er hat sogar schon einen Namen: Longo. Um mal auszuspannen, braucht man das Büro jetzt nicht einmal mehr zu verlassen ...
