ECLIPSE

1
Eclipse is a set of low nesting tables in four different shapes and dimensions.

The tables have easy-to-combine, organic shapes.

Eclipse es un juego de mesas de cuatro tamaños y formas diferentes.

Las tapas de las mesas Eclipse tienen formas orgánicas fácilmente combinables.

2
The smaller tables can be concealed under the larger ones.

Cada mesa se puede ocultar debajo de la del tamaño superior.

3
Eclipse tables are sold individually.
The different colours and sizes allow for the creation of numerous combinations.

Las mesas Eclipse se venden individualmente.
La combinación de colores y tamaños permite crear una infinidad de configuraciones.

4
Eclipse tables never wobble because they have three legs.

The legs are thin with almost invisible felt inserts so that the table does not damage the floor.

Las mesas Eclipse nunca cojean gracias a que tienen tres patas.
Las patas son muy finas, con tacos de fieltro, casi invisibles, para no dañar el suelo.

5
The tabletop has a rounded bevelled edge, giving it a light appearance.

El borde biselado de la tapa aporta una sensación de mayor ligereza.

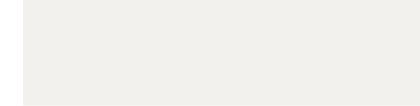

6
Eclipse tables and Satellite acoustic panels are of the same shape and dimensions, so that they can be combined.

Las mesas Eclipse y los paneles acústicos Satellite tienen las mismas formas y dimensiones, por lo que combinan entre sí.

TABLETOPS TAPAS

White lacquered ash, 20 mm
Fresno lacado blanco, 20 mm

Oak (Alpi veneer), 20 mm
Roble (chapa de Alpi), 20 mm
