La bellezza delle cose
esiste nella mente di

David Hume

Beauty in things exist in the mind which
contemplates them.

La beauté des choses existe dans l'esprit
de celui qui les contemple.

Das Schöne existiert nur im Bewusstsein

La bellezza come mezzo di espressione.
 Un'equilibrata mescolanza di istintivo
 buon gusto e di scelte precise, di cura
 della sostanza e minuziosa
 attenzione a ogni dettaglio.

Beauty as a means of expression.
 A balanced mixture of instinctive good
 taste and precise choices, taking care of
 every single detail down to the material
 itself.

La beauté comme moyen d'expression.

 et une attention minutieuse à chaque
 détail.

Per essere insostituibili
bisogna essere diversi.
Coco Chanel

In order to be irreplaceable
one must always be different.

Pour être irremplaçable,
il faut être différent.

Um unersetzbar zu sein,
muss man immer anders sein.

Para ser insustituibles
hay que ser diferentes.

Para ser insubstituível
precisa ser diferente.

Eleganza e semplicità anche nel dettaglio.
L'arte della semplicità è difficile e sottile, le soluzioni più lineari sono quasi sempre le più efficaci.

Elegance and simplicity even in detail. The art of simplicity is difficult and subtle, the most efficient solutions are almost always those that are the simplest.

Élégance et simplicité même dans le détail. L'art de la simplicité est difficile et subtil, les solutions les plus efficaces sont presque toujours les plus simples.

Elegancia y sencillez también en el detalle. El arte de la sencillez es difícil y sutil, las soluciones más eficaces casi siempre son las más sencillas.

Eleganz und Schlichtheit auch im Detail. Die Kunst der Schlichtheit ist schwierig und schmalgratig, die wirksamsten Lösungen sind beinahe immer die schlichtesten.

Elegância e simplicidade também no detalhe. A arte da simplicidade é difícil e sutil, as soluções mais eficazes são quase sempre as mais simples.

C'è più fascino nella sobrietà che in ogni sfacciata esibizione. I piacevoli accostamenti di colori, vivaci e seducenti allo stesso tempo, ti cullano e ti portano in un ambiente rilassante anche in ambito lavorativo.

There is more fascination in simplicity than in bold exhibition. Pleasing colour matches, vivacious and seductive at the same time, will lull you to a relaxing atmosphere even when found in a working environment.

Il y a plus de charme dans la simplicité que dans un étalage tapageur. Les combinaisons agréables de couleurs, vifs et à la fois séduisants, vous bercent et vous portent dans une atmosphère relaxante même dans le contexte professionnel.

In der Schlichtheit liegt mehr Flair als in jeder unverschämten Darbietung. Die gefälligen Farbkombinationen, lebendig und gleichzeitig verführerisch, wiegen Sie und führen Sie auch am Arbeitsplatz in ein entspannendes Ambiente.

Hay más atractivo en la sencillez que en la ostentación desmedida. Las combinaciones de colores agradables, llamativos y atractivos al mismo tiempo, te acogen y te transportan a un ambiente relajado incluso en un ámbito de trabajo.

Há mais encanto simplicidade que, em qualquer exagerada exposição. A agradável combinação de cores, vibrantes e sedutoras ao mesmo tempo, tranquilizam e levam a um relaxante ambiente de trabalho.
