ROSS

{Programa de sofá modular para espacios colectivos}

ROSS ofrece confort y carácter en zonas de recepción, espera y descanso.

Sus líneas geométricas, combinadas con el capitoneado, son el resultado de aplicar una estética atemporal sobre un concepto arquitectónico actual.

Modular sofa for office spaces.

ROSS offers character and comfort for reception, waiting, and resting areas.

It's Geometric lines, combined with the squared-cushion upholstery, are the result of applying timeless architectural concepts.

Programme de canapé modulaire pour l'espace collectifs.

ROSS offre un confort et un caractère dans les zones de réception, d'accueil et d'attente.

Ses lignes géométriques, combinées avec le capitonné, sont l'obtention d'appliquer une esthétique intemporel sur un concept architectonique actuel.

{ Mesa }

La libertad de componer las plazas de asiento con dos alturas de respaldo, posibilita romper con la continuidad y monotonía de los sofás modulares.

The freedom to compose with two levels of support, makes it possible to break away from the linear monotony of other modular sofas.

La liberté de composer les places des assises avec deux hauteurs de dossier permet façonner compositions modulaires à volonté.

La combinación de los diferentes asientos, respaldos, mesas y brazos convierten a Ross en un programa adaptado para optimizar pequeños y grandes espacios.

The combination of different seats, backrests, arms, and tables, makes Ross in a program tailored to optimize the space in both small and large areas.

La combinaison modulaire, les dossiers, de tables d'appui et d'accoudoirs, transforment Ross en programme qui optimisent l'espace.
