1

Onda is an ergonomic stool with a curved revolving seat.

Onda es un taburete ergonómico con asiento giratorio de formas curvas.

2

Onda is available in three heights:  
- low for average-height tables  
- medium for kitchen counters  
- tall for bar counters  
(see dimensions below)

Onda está disponible en tres alturas diferentes:  
- bajo para mesa normal  
- medio para barra cocina  
- alto para barra de bar  
(ver alturas en esquema)

3

The curves of the seat have been specially designed to accommodate the body. The small backrest provides lumbar support.

El asiento es una forma escultural curva que se adapta al cuerpo, y su pequeño respaldo proporciona apoyo lumbar.

4

The front part of the seat is curved downwards for comfort and good circulation.

El borde frontal del asiento está curvado para facilitar la circulación de las piernas.

5

The stool seat has a high resistance core that is not visible. The seat is made of polypropylene.

El asiento tiene un núcleo interior de alta resistencia, que no es visible. La carcasa exterior está realizada en polipropileno.

6

The Onda stool seat design features a double injection of polypropylene which allows for the addition of an anti-slip two-tone rubber surface.

El diseño del asiento esconde una tecnología de doble inyección que permite añadir una superficie bicolor antideslizante.

7

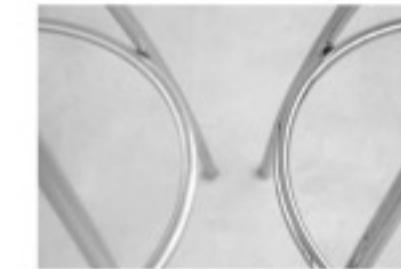

The frame of the Onda stool can be of: shiny chrome steel or matt-polished stainless-steel for outdoor use. The higher stools come with a comfortable footrest ring.

Las estructuras de Onda pueden ser de acero cromado brillo o de acero inoxidable mate (para exterior). Los taburetes medios y altos cuentan con un aro para reposar los pies.

8

All parts of the stool are curved from the seat to the legs: a refined design from every angle. The frame legs have polypropylene feet to protect the floor.

Las patas están ligeramente curvadas para hacer el diseño más armonioso. Los patas apoyan sobre tacos de polipropileno gris para proteger el suelo.
