Framery 2Q Huddle

Huddle up for your next team meeting!
Framery 2Q Huddle is the ideal setup for meetings – whether attendees are present, joining remotely, or anything in between. Gather your team around the table where everyone fits comfortably - even with their laptops! The spacious pod allows everyone to move around freely, and bring additional seating if needed. Optimize your meetings with a screen bracket and whiteboard set on the opposite wall to ensure that everyone present - physically or virtually - shares the same vision.

Framery 2Q Lounge

Living room in your office
Framery 2Q Lounge interior layout provides a more casual environment. It's perfect for relaxed company meetings, a calm space to retreat to during the workday, or an area for socialization. Custom-designed Clint Sofa, large whiteboard, free-standing Piaggio table and a wall shelf create a functional yet relaxed setting. The adjustable airflow and lighting create a pleasing working atmosphere. Additional options include a display bracket on the wall for a TV or a booking bracket ready option for the door for reserving the pod.
## Framery 2Q Without Furniture

Have it in your style
Choose the Framery 2Q meeting pod without furniture to furnish it the way you like. The superb sound insulation ensures you and your team total sound privacy and the adjustable airflow keeps the atmosphere fresh. The power column is a fixed component with 3 power sockets and charging twin USB (A+C), also providing an option for a display bracket or a whiteboard. A low doorstep makes the Framery 2Q wheelchair accessible.
